***The Beehive of Consciousness*** [sound recording] / Eneida Carbonell. Wheaton, IL. : Theosophical Society in America, c2011. 1 sound disc (53 min.) Recorded at the 125th Summer National Gathering of the Theosophical Society in America in Wheaton, IL on July 16, 2011.

Consciousness is one of the most fundamental realities that Theosophy postulates as the basis of all macrocosmic and microcosmic processes. Modern scientists, specifically quantum physicists in their search into the workings of matter have found that matter follows the prompting of mind or consciousness. This program looks at some of the ideas shared by quantum physics and

Theosophy, suggesting that consciousness is the primary reality.
