

Cassandra Vieten, PhD, is President/CEO of the Institute of Noetic Sciences. She is also a scientist in Mind-Body Medicine at California Pacific Medical Center Research Institute and a licensed clinical psychologist. Her primary interest lies in how psychology, biology, and spirituality interact to affect experience and behavior. She is co-author of *Living Deeply: The Art and Science of Transformation in Everyday Life* (New Harbinger/Noetic Books 2008) and author of *Mindful Motherhood: Practical Tools for Staying Sane During Pregnancy and Your Child's First Year* (New Harbinger/Noetic Books 2009).

Frederic Luskin, PhD, is the author of the best-selling books *Forgive for Love* and *Forgive for Good*. He directs the Stanford Forgiveness Projects and is a Senior Consultant in Wellness at the Stanford Health Center. He also serves as Department Chair for the PsyD. Program in Clinical Psychology at Sofia University.

Kurt Leland is an award-winning poet and composer, as well as a consciousness researcher who has published books on astral projection, near-death experiences, and mystical experiences associated with music. He has annotated and provided an afterword to C. W. Leadbeater's classic, *The Chakras*, and compiled and annotated *Invisible Worlds: Annie Besant on Psychic and Spiritual Development* (Quest Books, 2013). He is a national lecturer for the Theosophical Society.

Albert Amao, PhD, is a graduate of sociology from the San Marcos University, Lima-Peru. A clinical hypnotherapist and holistic counselor, who has studied and lectured on metaphysics, New Thought philosophy, Hermetic Qabalah, and depth psychology most of his life. He is the author of *Healing Without Medicine: From Pioneers to Modern Practice* (Quest Books, 2014).

Fernando A. de Torrijos, former director and teacher of mindfulness-based programs at the University of Massachusetts Medical School's Center for Mindfulness and the Department of Psychiatry, continues to provide these teachings as a consultant to institutions, health professionals and educators. He is a former director of the Theosophical Society in America, has worked at the international headquarters of the Society in Chennai, India, and presents workshops and seminars internationally.

Peggy Heubel, a life-member since 1976, is Secretary of the Oakland branch of the Theosophical Society in America. Her interests are centered round the emerging developments of leading-edge theoretical quantum physics and their relationship to the Three Fundamental Propositions in Blavatsky's *The Secret Doctrine*.
