

“THE CHAKRAS: A MAGICAL MYSTERY TOUR”

with

Kurt Leland

Friday, June 2 – Sunday, June 4, 2017

Presented by

The Ozark Theosophical Camp and Education Center (“OTCAEC”)

From yoga to energy healing, there are hundreds of systems for describing and using the seven psychoenergetic centers—called chakras—for personal growth and healing or psychic and spiritual advancement. How can we sort through all this information without frustration or fears of damaging ourselves or others? In this experiential workshop, Kurt Leland will talk about the history of the Western chakra system, in which the Theosophical Society played a key role, and provide simple and safe techniques for learning about our chakras and what they have to teach us about self-care and self-development.

Kurt Leland is the author of *Rainbow Body: A History of the Western Chakra System from Blavatsky to Brennan* (Ibis Press, 2016). He has also annotated and provided an afterword for a new edition of Theosophical clairvoyant Charles W. Leadbeater’s classic work *The*

Chakras. He teaches classes in how to perceive and work with the chakras to benefit our physical, emotional, mental, and spiritual growth.

Come join us and enjoy the beauty of the Ozark Wilderness during this beautiful time of the year!

The closest airport to Camp is the Fayetteville/Bentonville NW Arkansas Regional Airport (35 mi. from camp).

If traveling on Interstate 49 in Missouri, take Exit "H" about five miles from the Arkansas/Missouri border on the Missouri side. Go west on "H" approximately six miles until you reach Hwy 90 in Noel, Missouri. Turn right and go through Noel on Hwy 90 (approx. 1 mile) until you reach Hwy 59. Turn left. (*The camp is located on a hill overlooking the small town of Sulphur Springs, AR off Hwy. 59, just two miles south of the Missouri state line.*) If coming in from the north on Hwy. 59 you will go over the Butler Creek Bridge and into Sulphur Springs. (*Be aware that you will cross Butler Creek before you get into town and then come to a second bridge in town.*) **Turn east/left on Colony Road just before the bridge in town.** (*If you see a large park on the left and you've crossed the bridge you've gone too far.*) Go about 200 feet and veer left on Colony Rd. Go another 300 feet up the hill to the first driveway on the right. If you are coming from the south (Gravette) then cross the bridge right after the park, turn right on Colony Rd. and follow the instructions above. We will have signs out. If you are staying at the B&B we will direct you to that location once you get to Camp. If you run into problems call May Harshbarger at 405-441-7911 or Carol Holleyman at 417-699-8237. Looking forward to seeing you soon!
